PRINITALIA

CREATE YOUR OWN SPACE

Why not think about your apartment as a ready fully furnished project from Italy?

Why not Italian when it is affordable and branded quality where you pick your choices of designed furniture and their finishes.

Presenting here one of such complete Italian interiors project of Incanto Homes brand under Prinitalia srl of Italy. The name of this flat project in "Venezia".

It is a complete flat furniture designed and produced in Italy exclusively by Prinitalia. It is a combination of spaces, comfort and aesthetics with a great value content in furniture.

We will create a home profile for you. We know that for you the biggest challenge is finding time and place to choose right furniture for your new ready apartment going all over the city and xxx proper source you end up losing patience.

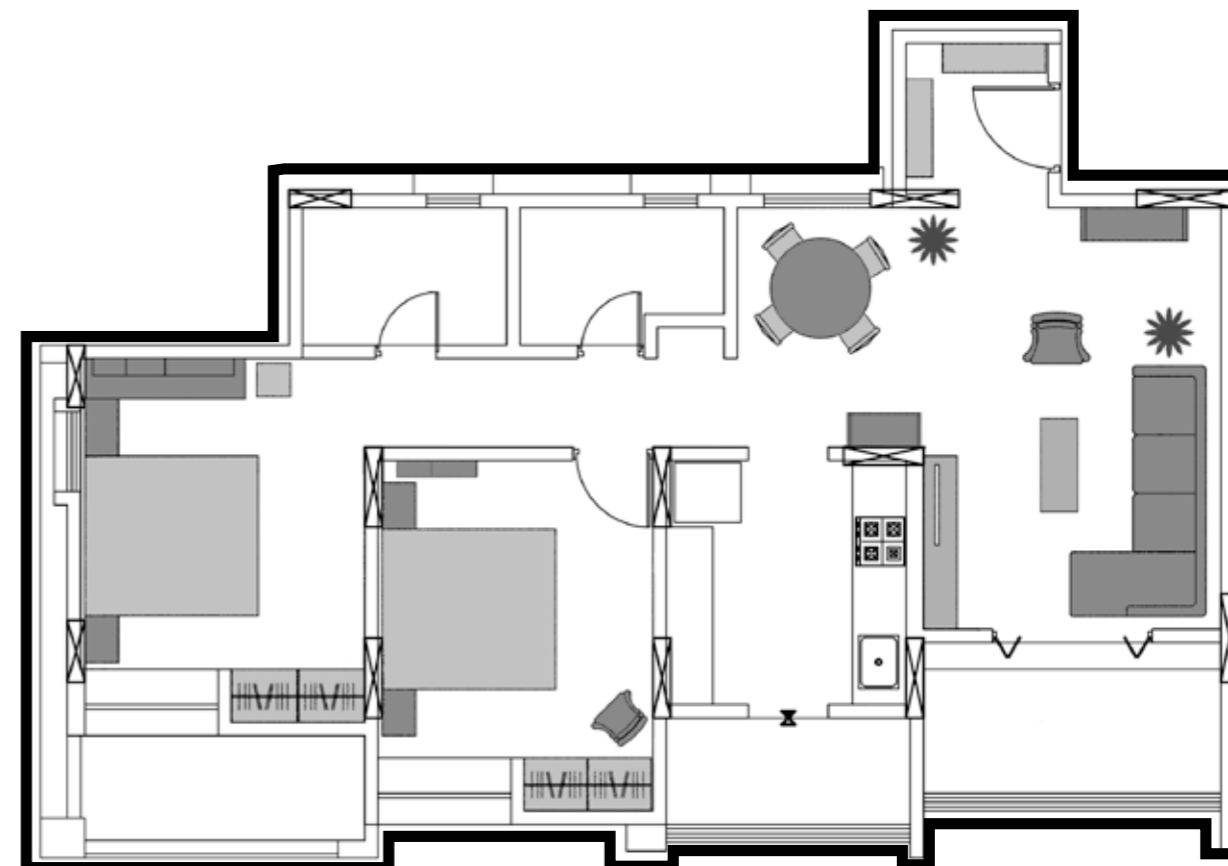

Incanto homes brings the ready home profile: a curated selection of Italian furniture sample, design motivated, quality and overall remains in harmony with the style you choose through your home.

A timeless sofa of comfort and Italian fabric of quality having the warmth and matching the ambience. Library and tv-unit of new xxx creating a sense of openness.

Your precious place of dining has an excellent table to support this important area with elegance and style.

Bedrooms have summer schemes with breezy xxx yet still cozy and inviting.

Create the look with Incanto homes the Italian passion of searching in every detail, the luxury of pleasure.

dining ROOM

The furniture and accessories need to be well designed, matching perfectly the room and a flexible use of the space, so to permit formal dinners, family breakfasts and anything in between.

The dining room color palette is also carefully selected: it's all about pleasing and natural tones, so you can enjoy your meal, and possibly drink a toast to your new home room.

Personal
Space

Master *bedroom*

A bedroom should be a refuge, the most private place designed to suit your needs. We provide plenty of space for clothes, books and sleek surfaces to personalise.

A slightly iridescent wall color changes under differing light conditions, and the dark tones make the sleeping space restful, bringing also more intimacy.
